## MESSAGE

My warmest greetings to the **Kabisig People's Movement** as it holds this year's **Kabisig Philippine Government Expo and Trade Fair**.

This event exemplifies the bayanihan spirit that lives among us. The partnership between the government and the people is a manifestation of our unity that enables us to fulfill our common purpose. I laud the Kabisig People's Movement for its unwavering commitment in facilitating our government agencies and instrumentalities in implementing their programs.

The effective promotion of public interest is the result of the patriotism that remained steadfast and resilient over the years. The individuals behind this occasion are the exemplars of that quality. Their unwavering dedication in building this nation is admirable. By providing us with the platform, we are now closer to the people whom we are bound to serve.

Our collective effort will allow us to restore and preserve the trust and confidence of the citizens to the government. Let us continue to support each other in fostering participation and cooperation from our people. Together, we can move forward in attaining progress and prosperity.

May we all succeed in our future endeavors.
